

**Worksheet 15: Orientation Camp**

**Student name:** \_\_\_\_\_

**Teacher:** \_\_\_\_\_ **Class:** \_\_\_\_\_

Imagine that you are on a committee planning an orientation camp for new students to secondary school.

Design a program of activities for the camp including the sessions, speakers and activities (e.g. physical challenges, information) you intend to offer.

The *introduction* of the program should list the purpose and the goals of the camp and what issues are important for the participants to deal with?

**Ideas for the program:**

<p><b>Introduction:</b>          Why are you holding the camp?          Who do you want to attend?          What do you want the participants to get out of it?          How will the camp be conducted?          Where?          When?          Who is responsible for it?          Cost?</p>	
<p><b>Speakers</b>          Who are the guest speakers?          What are they talking about?          When and where will they speak?</p>	
<p><b>Activities</b>          What physical activities will be held?          Where? When?          Who will be taking them?          Safety regulations / requirements?</p>	
<p>Transport arrangements?</p>	
<p>Meals / refreshments?</p>	
<p>Evaluation form?</p>	
<p>Contact details / permission slips?</p>	
<p></p>
