

# Lockie Leonard and Mortified comparison

## Activity 1: First day feelings

Level:	Years 6 - 9
KLA outcomes:	English, The Arts, SOSE, Health and Physical Education, Personal Development
Themes:	Gender perspectives, self-awareness and fitting in, family relationships, adolescence, transition, comedy genre, bullying, film language and techniques, narrative structure

### Description:

This sequence of learning experiences draws upon **Mortified**, Episode 14, and **Lockie Leonard**, Episode 2, to explore family relationships, the problems associated with trying to fit in, self-awareness and self-acceptance, bullying, the lack of understanding and tolerance when starting high school.

In **Mortified**, Taylor thinks that she is 'so ready' for Day 1 at Driftwood High but her day goes from bad to worse as she has trouble fitting in, gets lost and receives little help from her sister, Layla.

In **Lockie Leonard**, Lockie is 'dreading' his first day at Angelus High school. He is bullied, follows Egg's advice and puts on a weirdness act, is kicked out of Maths class and wishes he was back in the city.

### Aims:

- View text(s) and explain choices of audience, purpose and context.
- Analyse a scene using film language and identify how film techniques create mood and convey a message.
- Identify and interpret the emotions associated with starting something new.
- Explore the reasons and consequences of bullying in school.
- Compare and contrast the first day experiences of Lockie and Taylor from different gender perspectives.

### Teaching and Learning activities

The activities are organised into two main components:

- the '**discussing**' component: students will use individual and group talk to come to understandings about the issues and characters and to explore the significance of those understandings (for example, for their own lives).
- the '**doing**' component: students will use their understandings and explorations in order to do something – for example, perform or tell a story, create a product, transform some aspect of the series.

This lesson plan comprises the following sections that integrate *discussing* and *doing* activities:

- Before viewing the episodes
- After viewing the episodes:

- **Mortified**
- **Lockie Leonard**
- Compare the gender perspectives in **Mortified** and **Lockie Leonard**

Each lesson strategy involves episodes and clips from each of the TV series, **Mortified** and **Lockie Leonard**, and compares how the main character in each series deals with issues in their lives.
